March 24, 2020

Dear HFS Families,

I hope this letter finds you and your family healthy and well. What a crazy time this is! I first want to thank you for your dedicated and generous commitment to Holy Family School. It is supporters like you that help keep the tradition of **Faith Formation and Academic Excellence** thriving in our Grand Blanc community. As you all know with our school being closed, we have had our students learning in their temporary online classrooms since Monday, March 16, 2020. We were one of the first in our area to have our home “classrooms” up and running. This is a great achievement for us and a great testimony to our generous parents. Not only are our teachers hands on with this learning, but it is made possible because of your support.

Over the years our school auction has raised funds in many areas. Technology has been one of the consistent areas that has benefited. Thanks to you and our sponsors, donors and supporters over the years, we are able to provide Chrome books and the other technologies needed to continue our teaching through this unprecedented time.

As of today, March 24, 2020, we have decided to postpone our annual school auction that was set for May 15, 2020. We are in the process of rescheduling our event for the fall and working diligently to make sure your sponsorship dollars, silent auction items and donations are used wisely. We are using this time to realign our fundraising efforts, and as soon as we have a newly scheduled date, I will be sure to let you know.

Thank you again for your ongoing commitment to HFS.

Many Blessings,

Ms. Ann Yochim Tabereaux, *HFS '92*
