### The Saints Came Marching In!

What a beautiful way to celebrate All Saints' Day with Mass and a presentation from our 2nd Grade classes! We learned about many saints, some unfamiliar to many of us. The students took on their roles and spoke with confidence and emotion.

As we strive to be saints daily, let us all remember to do the small things where every day we decide it's not all about me, but that God comes first, then others, then me.

### November Calendar

Looking ahead to our November calendar, next week and the last week are full weeks. The other two weeks are shorter due to teaching training set up by the Diocese of Lansing and celebrating Thanksgiving holiday.

As addressed at the beginning of the year, we are striving to improve attendance this year. We had great success in the month of September with 86 less absences than last year. The month of October we experienced an uptick, with 161 more absences than the previous year. We are hoping to get back on track this month and meet our goal of less overall absences by Christmas earning an ALL SCHOOL PAJAMA DAY! We appreciate all of your help in achieving this goal.

Congratulations to the 91 students who received Perfect Attendance (no absences or tardies) for the 1st Quarter!
