

Dear Parent/Guardian,

Under the Governor Whitmer's new executive order, all students must wear masks in classrooms, K-12, beginning October 5, 2020. Please see article: <https://www.mlive.com/public-interest/2020/09/elementary-students-must-wear-masks-in-school-under-new-michigan-executive-order.html>

Here at Holy Family School, as well as our other GCCS schools, masks have become part of our uniform. More often than not, our students are keeping their masks on in all the lower elementary classrooms. I am confident that this will not be an obstacle for our students.

Enjoy the beautiful weather this weekend!

Mrs. Theresa Purcell

Principal

Holy Family Catholic School
