December 10, 2021

Dear Parent/Guardian,

We had a beautiful celebration of the Immaculate Conception on Wednesday. Fr. Le reminded us of Mary's obedience to God. Her "yes" changed everything. We ask God for His grace, that He continues to guide us in our decisions. May the "yesses" that we say bring us closer to God.

We closed our week with our Christmas Program. What a beautiful ending! Mr. Smith created a wonderful program where our students were able to share their musical talents with us! We heard traditional songs as well as a few new ones. One song talked about the principal getting kissed by an elephant! May the joy you heard today continue to carry you through this Advent Season and all the way into the new year!

Covid Update:

The Genesee County Health Department released their latest Toolkit for schools yesterday. More information will be coming home next week regarding this.

With the number of Covid cases increasing, especially for our school community since Thanksgiving, I'd like to remind everyone about some of the safety measures we have in place. If you or anyone in your household is waiting for results from a Covid test, please keep your child(ren) at home until you receive confirmation of a negative test result. Also, if any of your outside of school activities result in your child(ren) being exposed to someone who has been positively diagnosed with Covid, please consult your physician to determine if your child(ren) needs to be quarantined. The school does contract tracing for all school activities. The Health Department does the contract tracing for outside of school activities.

Have a blessed weekend,

Mrs. Theresa Purcell, Principal
