February 11, 2022

Dear Parent/Guardian,

What great celebrations to wrap up our Catholic Schools Week! We had so much fun celebrating Sr. Sharon and her FIFTY YEARS of service to Holy Family School! This is quite a unique accomplishment, that is reached by few, that has had a positive impact on our school, our students, our families and our parish! Sr. Sharon is not done yet! We are so fortunate to have her in our school and our parish! God bless you, Sr. Sharon!

The Second Grade students continue to reach for the points! ALL students have achieved at least 100 AR points in their reading goals and are on their way to reaching for more! The first to reach THREE HUNDRED POINTS is pictured below! We love this enthusiasm and love for learning! Keep turning the pages, Second Graders!

Congratulations, Mierrei!

We are proud of you!

The learning that is happening in this building is so much fun to observe! While visiting classrooms, I had the opportunity to hear a lesson on helping verbs. This sparked a challenge for our Fourth Grade students. I challenged them to learn 22 Helping Verbs (in Mrs. Purcell's order) in one week's time for a prize given. This has been so much fun and isn't quite over, but I am pleased to announce that over 75% of all of the students have recited them to me and earned a prize! Keep up the great work! I'm already thinking of my next challenge!

Speaking of challenges, after listening to Fr. Joe's homily, Mrs. Garland had her 8th Grade students choose one way to love like Jesus and practice it this month. We are always striving for sainthood! Good work! [PTO Community Service Project.pdf](#)
