Circle of Grace Environmental Safety Program

As was mentioned back in August, the Diocese of Lansing has adopted the Circle of Grace curriculum to meet the needs of offering a safe environment program. In year's past, we had the kNOw Program and Safe Sheep.

This is a K-12 program that is a supplemental program integrated into our curriculum. Below the newsletter is a letter for parents about this program. If you should have any questions, please feel free to contact the school office. The full program is kept in the school office and is available for you to review. Classroom teachers will be covering this material in the next month.

UM/MSU

PTO Canned Food Drive

It's FRIDAY and after a tough fought battle every day this week, the totals are in! On Thursday it looked like it was anyone's game; it was that close! Today, UM fans brought their canned goods by the armfuls! MSU fans came in with a total of 874 cans. UM fans made sure there was no doubt in this week-long close battle. With 1,154 cans collected, UM rose to the top! This means that our blue and green fans brought in a total of 2,028 cans for our Holy Family Food Pantry! What a beautiful and strong faith we have in living out our Corporal Works of Mercy! Thank you to our families, students, PTO members, and staff for providing a fun opportunity to make a difference!

Enjoy Saturday's battle on the football field!

Go BLUE! Go GREEN!
