

Holy Family, believing that each student is a child of God, challenges each to embrace the Gospel message through the traditions of the Catholic faith, to achieve academic excellence and to grow as saints.

October 27, 2023

Thank you!

"Generosity holds the power to rehumanize the world."

~Matthew Kelly, *The Rocking Chair Prophet*

To all staff, students, parents, and grandparents,

Thank you for the generosity that you've shown us in Outreach this week and all year long! The abundance of our shelves will help us help others and we are honored to receive these donations for them. May God continue to bless Holy Family School in your work for His work.

Mrs. Cathy Medich, Director of Outreach

Second Quarter Begins!

Each child will be bringing home a 6"x9" folder containing his/her report card. We are sending home paper copies to be sure parents/guardians are able to review it prior to conferences, just in case you are having trouble obtaining it through PowerSchool. Please keep the paper copy for your records and sign, date, and return the envelope to school. (You may send it back with your child next week or bring it with you to your conference. Thank you!)

Homerooms teachers in Grades 2-8 will have a copy of your child's most recent NWEA assessment to share with you. I will send home a copy of our overall school performance next week. This assessment is another tool we use to help us meet your child at where he/she is in their understanding of certain learning concepts. Along with classroom activities and assessments, we use MobyMax to strengthen skills, close gaps in learning, as well as to challenge students.

October Calendar

27 - Casual Panther (Courtesy of Psenski Family)

9 - PTO Shop-n-Sip

10 - Jr. High Dance

Cafeteria 7pm - 9pm

CHARGED UP!

This week we had visits from our Powers Chargers... TWICE! First, they served us some delicious chocolate chip cookies. Then, they treated us with a wonderful presentation from their choir and band! It was great to see many of our HFS alumni and how they continue to use their God given talents. We learned that the extracurricular opportunities at Powers are many. The expansion of the clubs and sports teams offered in elementary school allow the high school students to become involved in and explore their many interests - working to find where God is leading them. We were very impressed with the numerous activities many of the high schoolers participate while earning high academic marks!

If you are interested in Powers Catholic for your child(ren)'s future Catholic education, there is an Open House on Sunday, November 5th from 12PM - 3PM.
