## **JH Summer Reading Information for Parents and Students**

All 7th and 8th Grade Students should spend an average of 15-20 minutes a day or 2-3 hours a week reading.

There are 1,440 minutes in a day; we can find 15-20 minutes to read!

There are 168 hours in a week; we can find 2-3 hours to read!

Reading will help students in every subject and in all walks of life. Please encourage your students to read throughout the summer. Read with them, model reading your own books, have a quiet hour where there are no electronics and the entire family is reading! Visit the library, Barnes and Nobles, R & B Used Books in Grand Blanc or Cottage Books in Goodrich. Encourage your child to read the same book as a friend and get together to discuss the book. Have your own book club with your child! The possibilities are endless!

Students have a simple Reading Log to complete and return the first week of school in August.

Thank you for your support encouraging your child to READ!
